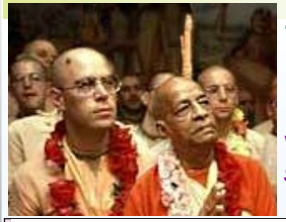
HOW TIME EXPOSES THE P-CON FRAUD



Tamal Krishna's Goswami's *Extraordinary Accomplishments* & Praise from Srila Prabhupada

Nobody murders their divine teacher when they shower abundant praise and affection on them as we can see HDG did with TKG especially in 1976 & 1977! ***The P-Con was created & supported by those who are envious*** of all these tremendously successful stories TKG was involved with and noted below.

TKG Time-line

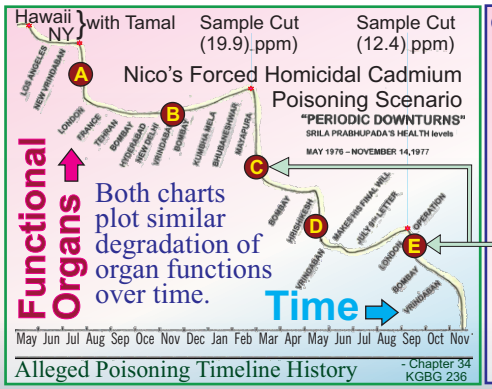
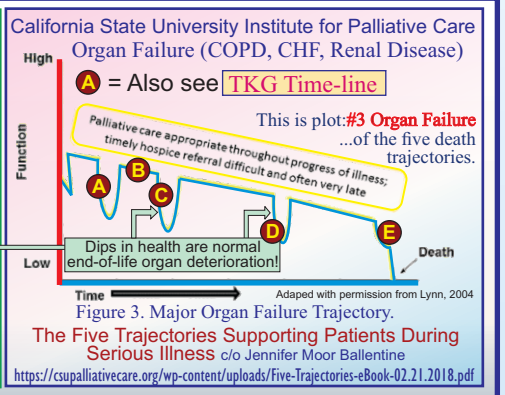
There are NO examples of anyone ever being poisoned with cadmium prior to 1977. (See Socratic Plate #8) So Nico dedicates 18 pages in KGBG to introduce Chandra Swami as the "rat" who knew more than the medical industry and taught TKG how to use cadmium as a poison. But Nico confirms how unlikely this was by admitting: *"So the question is whether Tamal met and became acquainted with Chandra Swami? "* –KGBG 599 *Where was the cadmium chemical obtained for the poisoning? - How was the poison administered and who taught the poisoners how to use it?*-SPTD 596

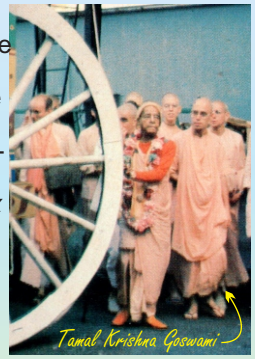
In December26, 1976 there was a plan for Adi Kesava and Chandra Swami to meet the President elect Jimmy Carter but it never occurred. There was no further engagement with Chandra Swami until Oct 24, 1977when he was contacted to provide Ayurvedic medicine. ***TKG barely knew Chandra Swami and never spent any time with him so how could he have helped in the P-Con effort?***





The breakdown of HDG's organs followed a normal trajectory.

Nico suffers from a severe case of apophenia. He hallucinates P-Con evidence that does not exist everywhere he looks! The decline in Srila Prabhupadas health follows what professionals in palliative care tell us happens to an elderly person as their organs start to fail. Nico attempts to cor-relate that pattern to the dates he says *TKG began to administer the deadly cadmium mix that nobody had EVER tried before! We are* asked to believe **TKG radically flipped in early July** to master how to poison HDG right before he took him to inspect the NY Rathcart wheels on July 17! REALLY?



"13 Second Pause" A Typical DECEPTION!

After TKG asks HDG *"So who is it that has poisoned?"* Nico stresses at five different places a "*(pause of 13 seconds of dead silence) Srila Prabhupada never answers this question*" (See KGBG4,24,124,147,288) His intent is to say HDG paused because he was embarrassed to tell TGK he was the culprit! But Srila Prabhupada could barely talk at that time! The yellow matrix tabulates gaps from the nine audio clips provided by the P-Con propaganda machine totaling 43 min 49 sec. There we find 25 places where the pause before a response was 13 seconds or more, with some gaps as long as 62 or 91 seconds! This is another undeniable example of the **DECEPTION** Nico uses to prop up the P-Con and mislead the uninformed about a crime that ever happened.

9 Audio Tracks from *"Judge For Yourself"*

Tape	Min	Gaps	Seconds waiting for response
One	3:06	5	18,13,19,11,13
Two	0.53	0	→ only gap less that 13 seconds!
Three	2.22	3	17,14,13
Four	5:02	1	13 gap after TKG question
Five	15:00	10	13,20,16,13,13,62,16,91,27,15
Six	9:19	5	16,56,29,31,13
Seven	2.38	1	19 parikrama questions
Eight	1.39	1	38 parikrama questions
Nine	3:50	0	→ 26 Gaps only 1 less than 13 sec

QUESTION: ***According to Nico, TKG began the act of poisoning HDG in Feb 1977. This means his service mood morphed into murder while HDG was flooding him with public praise for his tremendous success with the six-bus RDTSP campaign! What reason would TKG have to poison HDG when he was getting more appreciation and affection than nearly any other devotee during the year of 1977? How did TKG know a way to acquire & perfectly mix a cadmium cocktail when he barely knew of Chandra Swami and was too busy to spend any time with him?***
